Estd - 1999

21ST ISTE
State Level Students Convention
Odisha Section

8-9, September 2018

THEME : “TECHNOLOGIES IN SOCIETY,
IN KNOWLEDGE SHARING AND
HUMAN USABILITY”

Organized by

DRIEMS

Autonomous Engineering College

TANGI, CUTTACK, ODISHA.

About The Institution

DRIEMS, an Autonomous premier Engineering college in eastern region of India. It was established in 1999 at Tangi, Cuttack, Odisha. imparting quality education for the last 19 years in the State which has been imparting quality education for the last two decades in the state. DRIEMS with buildings of Architectural Marvel is located on our massive lush green campus of more than 160 acres. It has 6 disciplines in B.Tech, 5 specializations in M.Tech programs. We are approved by AICTE and affiliated to Biju Pattnaik University of Technology, Rourkela and SCTE & VT, Bhubaneswar, NAAC 'A' grade accredited, Certified by ISO 9001-2015 and conferred by UGC as an Autonomous Engineering College.

About ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,02,985 Life Members, 5,54,094 Student Members, 2410 Institutional Members (including IITs, IISc., NITs and other leading technical

institutions), 1214 Faculty Chapters and 1322 Students' Chapters and 17 Sections throughout the country.

The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisations.

About the Convention

The 21st ISTE state level annual student convention is a forum for the exchange of scientific and technical innovative concepts and the role of student in shaping it towards excellence. The convention provides a conducive ambience for students to show their inheriting technical advancements and to propagate innovations towards further evolution through different technical events. The convention comprises several technical events for the engineering/polytechnics students and thus brings them together a common workshop to converse and encourage their expertise for knowledge enhancement and for activation to meet the global needs.

Events

- Poster Presentation
- PPT Presentation
- Debate (English)
- Paper Presentation
- Extempore Debate (Group Discussion)
